PACKAGE

WHAT IS MIST?

The Muslim Inter-Scholastic Tournament (MIST) is a fun, educational, interactive program of competitions and workshops geared towards bringing high school students together from around Ontario to develop leadership, communication, and networking skills, all while gaining a deeper understanding of Islam and Muslims.

MIST is an international organization that consists of annual tournaments hosted across several North American regions, including New York, Washington, Houston, Detroit, Florida, and Toronto; the only region in Canada. Competition winners from each regional tournament qualify to compete head-to-head against other regions at the annual MIST Nationals tournament.

Each year, MIST Toronto hosts over 800 high school students and 400+ volunteers, amounting to at least 1,200 attendees. With a goal to change as many lives as possible and connect with the Ontarian community, our welcoming online presence has allowed us to reach over 10,000 people across all of our social media platforms.

With your help, we are excited to explore ways to continue building this vibrant, altruistic community that hopes to foster more professional, resilient, and spiritual leaders of the future!

COMPETITIONS

MIST is a tournament that spans across 3 days, beginning with the competitions weekend and concluding with an Awards Ceremony. Our competitions, ranging from academics, to the arts, are designed to be inclusive of all student interests, empower the youth to feel confident in their work, and allow them to receive feedback from seasoned professionals. Between Spoken Word, 2D Art, Graphic Design, Short Film, Soccer and many more, we have every competitor covered, wherever their interests and talents lie.

SPONSOR A STUDENT

The purpose of MIST has always been to provide students with a pathway to self discovery and personal development. As a regional chapter that has the highest growth rate in North America, we increasingly meet the needs of these students by subsidizing their registration costs based on need. But we require our community's support to ensure all students have equal opportunity to participate.

The cost for one student is \$50. With your help, one more student in need can attend MIST, where we pride ourselves on being a safe space for Muslim youth.
